### REMARKS/ARGUMENTS

The claim amendments presented above amend two claims. No new claims have been added. Consequently, it is believed that this filing has not generated any additional claim fees. It is believed, however, that a three-month extension of time is required. Accordingly, a Petition for a three-month extension of time accompanies this Amendment and Response. Payment via Deposit Account 09-0471 has been authorized.

The Office Action has indicated that claims 14 through 21 and 23 through 26 are allowable. Applicants believe that the other pending claims are also allowable. For example, independent claim 27 and independent means claim 36 have been amended to further distinguish them from the cited Norris reference. The Norris imaging copier, for example, cannot be directed toward optical information to be captured. Consequently, it is believed that claims 27 through 29 and 31 through 36 are also allowable.
